

## Start Saving and Investing for Retirement

- Work with a financial advisor to define your goals and get on track.
- Estimate the total amount you'll need to retire comfortably.
- Calculate how much you need to save now to reach your retirement goal.
- Begin saving and investing for your future today.
  - Maximize contributions to your 401(k) or other qualified plan.
  - Open an IRA and benefit from tax-deferred growth.
  - To stay on track, review your plan at least annually.
